ABCAVATINA OPS

1. Transmitted herewith are photographs and short biographic sketches of Justyn BALABAN, Stefan KOLTYUK, Ivan KOLANYUK and Ivan CHOMYAK, provided by the SMOTH representative at Frankfurt on 31 January 1955. It is not known whether or not these names are pseudonyms.
2. The first two personalities were discussed at the joint KUBARK-SMOTH conference held in January 1955. According to SMOTH, they were known to have travelled to France and thence (probably illegally) to Germany. They are apparently housed in Munich and are training in this vicinity. Access to them is limited to ABCAVATINA 1 and his immediate operational staff.
3. After the SMOTH representatives returned to their base they discovered that two more ex-trainees, KOLANYUK and CHOMYAK, left the country and were believed to be headed for Munich.
